

Vaastu Naresh

...Way to prosperity

3 MONTHS PROFESSIONAL VAASTU COURSE

Vaastoshpatey pratijanihyasmaan swavesho anmivo bhava naha,
Yatvemahi prati tanno jushsav sham no bhav dwipadey sham chatushpadey.

-Rigveda

The entire course will take you towards real life; you will learn many things apart from vaastu, which will show you the right path towards life.

Learning occult science requires patience, dedication, belief and trust in your teacher.

When I started my journey two decades ago under the influence of my guru, Dr. P.R. Rao I put my life in his hands and with his blessings I learnt this science through a Guru-Shishya parampara.

First of all I would like to say to the people here who want to learn this science and practice it for long; I'll try to transfer all the knowledge I have. I wish that you adopt it very well, imbibe its principles and have a long and successful journey ahead.

May God Bless You..!!!
